## Winning Dubai

2009 gr/ro G E Dubai – Winning Bidder (Private Account)

Foaled in Kentucky, Winning Dubai was a talented and hard working race horse from 2011 through 2016 at Hipódromo Camarero in Puerto Rico. In 2012 he turned in 10 wins at that track, tying with two other horses for the most wins that year in North America. His last race was in December 2016, but he was stabled at Camarero in September 2017 when Hurricane Maria caused devastation in Puerto Rico. At Hipódromo Camarero the equine fatalities were only the beginning of the ordeal. The damage disrupted access to the water, feed, vets and vet supplies needed by the survivors. Caribbean Thoroughbred Aftercare worked to provide care on the ground, and among the organizations pitching in to help were Thoroughbred Charities of America, the American Association of Equine Practitioners, The Jockey Club, Brook Ledge, Ocala Breeders' Sales, and Bonnie Heath Farm. Supplies were shipped in, and among the horses evacuated to Florida was Winning Dubai. There he and others came into the care of Randy and Karen Hickman at their Stone Ridge Farm in Ocala. In November Winning Dubai reached Old Friends' Georgetown location. Old Friends thanks Shelley Blodgett and all at Caribbean Thoroughbred Aftercare, and the many donors who made it possible to place survivors, including Winning Dubai, into secure new homes.
