## THE DETAILS

### Each year remember your Old Friends!

Old Friends meets a vital need by providing a permanent retirement home to thoroughbreds whose racing and breeding careers have ended. You can help continue our mission by making a \$150 donation for an Annual Membership. With over 175 horses in our care, our aging equines require a steady cash (hay) flow to cover unexpected costs in addition to regular monthly expenses. Our Annual Membership program helps us achieve that goal. You receive reduced admission to our Annual Homecoming event held the day after Derby each year and free tour admission with presentation of your member card. A membership includes two people.

**For 2018 we are happy to offer a TRIFECTA membership share program with the Kentucky Derby Museum in Louisville, KY and The National Museum of Racing and Hall of Fame in Saratoga Springs, NY.** Paid members of both museums will earn free tour admission to Old Friends using their membership cards, and Old Friends members will earn free general admission to both museums. Visitors to each venue must have their membership card available. The promotion is for general museum admission only or one of the daily tours offered at Old Friends (reservations required). Valid until 12/31/18

#### Choose your gift

- Leather Key Tag
- Katey Barrett poster

## ANNUAL MEMBERSHIP FORM

Yes! I'd like to support Old Friends.
