

## VARNAN WATERERS STAND OUT IN THEIR FIELD

# HELP THE RETIREES AT OLD FRIENDS BY SPONSORING A WATERER TODAY!

Our building expansion campaign is underway at our new 52 acre Thoroughbred haven with 10 new paddocks under construction. This will be the new permanent home for Old Friends as of July 1, 2006! Some of the paddocks have existing waterers in place; however, we still need to install ten more as a result of the new paddocks that we are constructing. After extensive study we found Varnan waterers to be most suitable for our great retirees. The waterers are insulated and therefore will not freeze in the winter. Total cost including installation of the water line for each waterer is estimated at \$1000. Sponsors will be named on our website and receive an engraved name plate on the paddock in recognition of their support. Paddock sponsorships are also available. All sponsorships are tax-deductible.
